CALL IT COOL is an art and research project that explores the phenomenon of the Cool City between Istanbul and Munich. Spanning over time and space, the project looks at the concept of cool from pop-historical, cultural and artistic perspectives. The first part of the project, **Chapter 1: Istanbul in Munich**, takes place on 19 July 2013, Friday, with a workshop and screening of films focusing on imaginations of Istanbul in Munich.

The next two chapters of the project, **Chapter 2: The Cool Museum** and **Chapter 3: Cool Istanbul**, will take place in Munich in June 2014.

All three chapters will be brought together in a final exhibition in Istanbul in October 2014.

Stay tuned!
